PREFACE

This book is my 27th collection of poems in English. The 100 poems in this book were written during September and first half of October, 2021. The poems are mainly mystic and spiritual. It is really a spontaneous outflow of my inner feelings, which I copied on the paper. I invite the readers to evaluate these poems.

FOREWORD

It is a great honor to write a word about the book - SOUL VISION - of the world famous poet - DR. K. K. MATHEW. His pen is golden and records the scratches on his soul, as well as the deeds in the world, under the influence of today's circumstances. God is always placed before all events, mistakes, pleas and desires. Through his verses, the Poet suggests to the readers, for respect for the weak and the sick, for a little understanding in certain situations, for the better, the more important and for the beauties of life - with his own ideas, examples and suggestions. The word of DR. K. K. MATHEW has its own weight and leaves no one indifferent. The feelings of today's being, which are sometimes lost in man and modern life, he outlines sharply, yet calmly and confidently. He always has one ear for everyday human suffering and destiny. With his beautifully strung silences he provokes the reader, to reject the bad thought and to perceive those who suffer. The poetry of DR. K. K. MATHEW caresses the soul of the impossible, with a high level of humanity, as a Poet and as an ordinary man.

In the poetry of DR. K. K. MATHEW abstracts of poetic and a wider literary-theoretical provenance are found with rich philosophical thoughts. His vocabulary, in any case, expands and deepens the field of poetry theory with its numerous and strong stylistic figures.

Most of the verses of DR. K. K. MATHEW are a good and useful advice, in this case the poetic work - ENTANGLED - Definitely one can find it with all calmness he has,
But many don't, their mind becomes a roaring sea;
Calmness with concentration, takes away the traps.

DR. K. K. MATHEW has a confidential connection to

the gradation of the poetic. He writes strongly and intuitively with strong emotions, simply and uniquely! With his creative poetic potential, he delights the readers with the daily life folder, narrated in verse and with a song of different destinies and events. With his strong word, he also engages in the problems of social conflicts with a desire for peace and freedom and a desire for a better life - by raising the awareness of the readers.

In the poetic work - ALZHEIMER'S DISEASE - it is expressed with strong verses from everyday life, which challenge the human conscience to think on a higher human level.

The world of his beautiful written word is predominant

colorful and in it everyone can be recognized.

Through the launch of the poetic literary opus, DR. K. K. MATHEW leaves no one indifferent. The aesthetics of his poetry is the creative spirit, as one of the most beautiful positive anomalies, which constantly follows his works. The poet does not forget the current problem in the whole world, today's pandemic and its problems. In his poetic work - HEALING - he emphasizes:

- Made, medical science is incomplete, it treats only Body, not the soul, moreover it doesn't know soul -

Where is the soul? Not why, the name of this niga is

- SOUL VISION -

As the narrator of his instructive verses, the Poet DR. K. K. MATHEW writes very mature, calm, fluent and enduring to the very end. He is very original and direct, he seeks and draws real and real images and associations in the abysses of the irrational and the unconscious, as well as in the essential in the current life frame of ethics and God.

In the last poetic work of his book - SOUL VISION - he says:

- What you need in the world, is you only,
God in you, you don't need anybody else -

Without a care of conscience and with a very good
feeling, I recommend reading the book - SOUL VISION
- by the great Poet - DR. K. K. MATHEW.

A DIFFERENT HEARTBEAT

Heartbeat rhythmical, rarely irregular, but
Very rarely musical, the music soothes the
Broken hearts, consoles the torn ones; a lady
Physician at Government Medical College in
Kerala state, the other day, standing erect in
The hut of the bereaved mother of slain girl,
Killed by the lover for broken love, holding the
Hand of the grieved mother, consoling her till
The body of the poor girl cremated; the treating
Physician of the mother having liver diseases, was
Impressed by the mother's hard work to make
Her slain daughter pursue college study; the image
Of the compassionate lady physician sends volumes
Of musical thoughts on what should be real doctor.

A GREAT REALITY

When a problem comes, there is a solution,
Applicable to everything, man doesn't find it,
That is his helplessness, hence man is imperfect;
For everything, God created, the truth of it kept
As mystery, man to find out it, God wishes it,
The Nobel laureates find out only a tiny fraction
Of the great artistry of God; but if man submit
Himself completely to God and develop intense
Faith in Him, man becomes perfect and the
Mysteries of God will be revealed to him, it can't
Be measured by the scales of science, the
Science is too imperfect; God's creation of the
Universe is scientifically perfect and superior.

AFGHANISTAN

Shattered in heart, wounded in soul, body crushed,
Innocent devastated, river of blood flowing, nobody
To hear the mourning of soul, life becomes valueless,
Love is more in animals, they live in harmony, music
Of love echo in forest, the musical stream embraces
The trees, the bees kiss the flowers, nectar is dripping,
The wild animals live in tranquility, hearing the music
Of stillness, God is at the center of the forest, guiding,
The birds, singing the music of love, praising Almighty;
But man, the terror, the horror, echo in Afghanistan.

AIM

Reach the only big mango, ripe, at the top
Of the tree, the tree is tall, top touching the
Sky, climbing it is so difficult, slippery, big
Ants crawling on the surface; but the climber
Is determined to go up as he loved very much
To taste and eat the mango, his faith to grab
It, very high, he dreams that great day, soon;
But he failed many times, that doesn't deter
Him from attempts, he is confident to grab
The fruit, as his strong faith lifts him always
Whenever he slips down, ant bites couldn't
Prevent him going high, the failures give him
Full energy for new hope, new dimensions
To his most perilous climbing and at last he
Reached the top, grabbed the mango, it is
Ripe, so beautiful, he tasted it the sweetest.

ALZHEIMER'S DISEASE

Baby like smiling and crying, staring for long,
Asking wife "who are you? What for you come?"
The room is revolving, the clock is flying, could
See the sun and moon on the top of the room,
He talks with them, he tries to remove his shirt
And trousers, he wants to run out of home as
Someone is coming to kill him and he is terribly
Frightened, he looks up, staring at the top for
Some time, motionless, looked like a cadaver
Looking up, very pale and cold he is, trying to
Remember where he is, but couldn't get it, he
Throws down the glasses on the table, with
Big sound, glasses broken to pieces, big smile
On his face, he enjoyed it very much; his sweet
Wife came and hugged him, she kissed him, he
Becomes silent, he thinks for a moment and
Falls on her lap, she caresses him and kisses
Him repeatedly, tears drip from her eyes, and
He looks at it continuously, eyes closed slowly.

AMALGAMATION

Amalgamation of good thoughts, to be preserved,
The bad to be eliminated; the ability of mind to do
It, makes it supreme in the world, with the power of it
To distinguish between good thought and bad one,
When the spirit of God added to it; the amalgamation
Of all these positive factors, lift human mind to heaven
And then it comes back to earth as the strongest mind
To face anything adverse with diligence and courage,
And to withstand, never to slip down, the only way to
Live in the troubled world, with enthusiasm and peace.

Copyright © Soul Vision, Dr. K. K. Mathew

ANIMALS

Not to eat, but to love; the companions when
God created, the speechless creatures deserve
Safer place to live, man should provide it, it is his
Duty, responsibility; all creatures in ecosystem
Must coexist to build healthy ecological balance
In nature; man must stop cruelty to animals, love
And kindness must flow to them as they are the
Indispensable part of nature; animals play crucial
Role in environment protection, man must realize;
Start wildlife conservation with planting trees and
Rebuild destroyed habitats; stop the deforestation,
Let all the wild animals live freely in the forest only.

ANTIQUE FRAUDULENCE

Kerala state in India, is shaken now by antique fraudulence,
Many are worse than fools to trust a fraudster, lost many
Millions; even top politicians, police officers, were fooled,
The educated lot is made to believe, the fraudster owns
“staff of Moses”, “silver coins used by Judas for betraying
Jesus”, “Veronica’s veil”, and other imaginary rarities from
The mythical world; he cheated many human brains with
False words and his close association with the top officials
And politicians; very sad to write, many of today possess
Hollow brain, nothing inside, education won’t fill vacuum
In the brain, the power to think is decayed in many, and
I wonder, where does the present world go; to emptiness?

AUTUMNAL

The fall of my outer heart scattered as beauty
On the floor, decayed and dissolved in the soil,
Rejuvenated my inner heart, blooming and fruits
Ripening, what a fantastic correlation, when the
Outer gone, the inner ripens, the melancholy
Outside, the fruitfulness inside, sweetness there,
The phenomenal truth outclasses superficialities,
Not to be carried away by the soreness of the
Fatalities on earth, but move to the flowering
Inside, absorbed in the fragrance of it, have the
Vision to detect it, be rejuvenated with the inner
Beauty, make every effort to avizualize the depth.

BEYOND SOUL

The heavenly bliss that is adhered to path,
That is from the soul, the flowery fragrance
Spreads with raining of honey on the path to
The infinity, enlightenment of soul continues,
Flourishing with the formation of the colorful
Rainbow, much above, emits the salvation of
The wonderful feelings that pervade to the
Ecstasy of Godliness, showered on formation
Of everything, projecting in front of every step
Taken, and stride gently into glory of infinity.

BEYOND TEMPTATION

Life beyond temptation, highest esteem in life,
Ability to control special senses of body, highest
Attainment in this world, the status of realizing
The great truth, the direct pleasure from God is
Many times more than enjoyment one gets in
The world; one doesn't get this realization all of
a sudden, but after a chain of trials, on the path
Towards the truth, when the great faith achieved.
Man must realize this great truth, the big link with
God, realize it, achieve it, and fly over the earth.

Copyright © Soul Vision, Dr. K. K. Mathew

BIRTH

The most holy act where God has come down
On earth to do the wonder of creation with the
Marks of the couple, the divinity couples and
Then unite forming the miracle of fusion with
Division and multiplication, the product of the
Marvelous wonder comes out, the soul from
Heaven instilled in it, the product of God, not
Of the couple, that comes through the couple
With the intention of glorification of Him, the
Blessing to the couple, the sign of God on the
Earth, the earth should rejoice with Godliness.

Copyright © Soul Vision, Dr. K. K. Mathew

BLOOMING

The wonder in magnitude of beauty, all of a sudden
With flashes of God's love instilled, the honey that
Is condensed with the heavenly blessing; from nothing
It arises to glorify the divinely love, to bring hearts
To it, fragrance breezed to human soul, so much of
Attraction in pain, grief, and despair, the soothing
Effect it has, the healing power, it works when man
Recognizes it truly with heart, it transforms human
Heart to open petals, human mind to bloom, soul
Instills nectar to make them most beautiful and the
One blooming flower is enough to make heart open.

Copyright © Soul Vision, Dr. K. K. Mathew

BREATHING

Freedom of coming in and going out, with tranquility
Of mind and soul, elevated to the height of easiness,
That inspires heart and body to work so smoothly,
The highest order of delight, that breezes past the
Inner soul, the tightness all gone, relaxation to the
Core everywhere, in and out, the tranquil air blesses
Every part, every cell jumps with exuberance, time
Passes merrily, no hindrance anywhere, smile so
Pleasing on face, so cool the interior, good air is in
Excess inside, extreme freedom surpasses adversity.

CHAMPION FELL

David had beaten Goliath; Medvedev wins The US Open,
Djokovic was outserved and beaten at his own game,
Medvedev won the battles within the battle, he is the
Spoiler for world champion's dream, he is nowhere
Before the champion, but he has done it; the truth is
That once in a while, the less prominent excels; dreams
Shattered, the hope becomes hopeless, the wishes
Become vacant; the truth should be accepted, abide
By that, failures always forerunner of ultimate success;
Correct the flaws, again champion can rise to the top.

Copyright © Soul Vision, Dr. K. K. Mathew

CONCEALMENT

Concealing the facts that are highly infective,
A big sin, an offence, that is detrimental when
People come into contact with it, knowing only
Nothing of the truth, that is why highly injurious,
Concealment spreads so rapidly, engulfing the
Mankind; dishonesty, insincerity, for selfishness
Mars the tranquility of world; when greediness
Is added to it, the formation of devil completed,
The base of all the unrest and conflicts that burn
Everything; the harmony of mankind is torpedoed.

Copyright © Soul Vision, Dr. K. K. Mathew

CONSCIENCE

Covered, hidden, the gem inside, deep in the mud,
The God in human mind, inert and inactive, numb,
It is dormant inside the mind; how to activate it?
Uncover it from all the worldly temptations and
The aspirations, by dissecting out them with the
Scalpel of intense faith in God, the gem gradually
Comes out, exposed, starts glittering, stays above
The worldly thoughts, it's held tightly by strings of
Heavenly feelings; finding it, is achieving God,
Go by it always, as it's God guiding and guarding.

Copyright © Soul Vision, Dr. K. K. Mathew

CRICKET

Intimidation of bombardment, hits on the bat,
Fire breaks out, its ball flies to the boundary and
Over it, sometimes it runs a bit, making bundle
Of runs, to squeeze through the tactics for the
Success, taken away from the opposition and to
Defeat the guys in despair, with a note, they can
Come up next time with the plan to strive, a soft
Teaching of achieving the adaptation of mind
And body, put together to bombard and to fire
Back with the determination to scale over the
Hardness that comes on the way, to suppress.

Copyright © Soul Vision, Dr. K. K. Mathew

CRIPPLED

Crippled, her brain; life is too much disorganized,
But her soul is very beautiful and active; the soul is
Lifted slowly to the realm of heaven with sweetest
Music of it, the transcendence of the sweetness in
Music, bestowed upon her soul and is loaded with it,
Soul becomes heavy; it should come down, it descends,
The gravity of the earth pulls it down to her crippled
Brain, the light glows there, heavenly enlightenment
Takes place, the glory of brilliance comes out, the
Heavenly music is on earth, showered from her brain.

Copyright © Soul Vision, Dr. K. K. Mathew

DAUGHTER

Depth of love that flows in and out, physical, mental,
And spiritual love, that ooze out of heart, embrace
And kiss with heart and soul, care and nurse, lift
The morale out of sickness and peril, only daughters
Do it with sense of sacrifice, no one else does, angels
From heaven, lift parents with their hearts, not with
Hands, to the honeycomb, striking it with soul, honey
Dripping from it, making the homes, honey based, the
Transformation of wounded heart, the healing of
Torn soul, the recovery from physical diseases, bringing
With blooming faces, the only one group, the daughters.

Copyright © Soul Vision, Dr. K. K. Mathew

DETACHMENT

Attached not, and leaving, great slogan
One should say; what for attached to the
One which makes him or her, so heavy on
The earth, fatty and sick with body but with
The soul too, the soul is trapped with the
Heaviness of the body; in right perspective,
The heaviness is the wearing of the world
And worldly, leaving them, most difficult;
But with God, intense faith in Him, make
It easier for the aspirations for the worldly
Detached from humans, the body is well
Dissected out spiritually forever with the
Scalpel of strong faith, it is to happen with
Everyone, and gets attached to God firmly.

DIVINITY IN MAN

Not an exaggeration, but the real truth, man
Developing divine thoughts continuously, how?
The sun is overshadowed by the dark clouds
That cover the brightness completely, never
To have the light on the earth, dusky the vision
Everywhere, strong wind sweeps the clouds,
Scattered and diminished, the sunrays fall on
Earth, it is bathed with sunlight, the crops
Rejuvenated, the flowers bloom, the land
Becomes golden; the heavy thoughts, all of
Them flee with strong faith, the sunrays bless.

Copyright © Soul Vision, Dr. K. K. Mathew

DOESN'T ADD

Doesn't give any benefit to the core of mind
Of simple living, when luxury added to it, the
Plain truth, to be delivered when the basics of
Human life revealed; the base of life is peace,
Happiness and contentment, it is all what man
Needs in his whole life till end, all created with
The basics; luxury, amenities, wealth and power
Won't add anything good to it, but it may make
The basics declining, what all man acquires won't
Do any addition to the quality of his life, better
To live with what he has in him, never be greedy.

Copyright © Soul Vision, Dr. K. K. Mathew

ELDERLY

The sunken eyes, furrows, dry body, the painting
Fixed on the wall; the dry leaves sway in the wind,
Never fell but the skeleton exposed, bidding bye
When moving to and fro in the wind, heartening
To see it with heart, soulful light inside, any time
Would fall, floating in the air and land on the mud
To be dissolved in the soil, but the truth, fragment
Of them dissolved in air while floating and falling,
Fly high-up in the wind and reaching the top with
Much enthusiasm and joy, as the wind can't reach.
The old country boat with worn out wood, floats in
The roaring sea, moving up and down, but doesn't
Sink, floating is indefinite, one day it will sink but
Can't predict; the fallen white hairs from the elderly
float in the air, don't die but live, land on the wall
of the home, adhered to it, making the home white.

Copyright © Soul Vision, Dr. K. K. Mathew

EMPATHY

The ability to understand and share the feeling of another, The great quality, man to acquire, not for publicity but for Contentment of heart, if strictly followed by everyone, the Earth would be a paradise, man to realize, soul of everyone Is Godly, tiny part of God in it, the great truth everyone must Realize, all on earth is Godly, if mind is set to that angle, we See God in everyone, in other creatures; love others without The intention of to be loved, is the best way to love God, the Great phenomenon which man forgets always, even animals Deserve empathy; the other day, Ratan Tata posted a very Interesting photo in Instagram, a Taj employee sharing his Umbrella with a stray dog, to shield it from the downpour.

ENDPOINT

Not in the near future it ends, it goes on and on
The inquisitiveness and the search continue for
No end, the involuntary thoughts come one after
Another continuously, once solved another one
Comes, it is the status of mind; the inner journey
To the endpoint, it is to find out the genuineness
Of the trueness, no conformity of reality, and so far
Nothing genuine, everything is perishable, nothing
I could find non-perishable, I have travelled miles
And miles, every time, something superior ahead
Of me, once I reach it, more true, before, like that
Journey continues endlessly, the search for trueness.

Copyright © Soul Vision, Dr. K. K. Mathew

ENTANGLED

Totally confused the life, many traps in a row
In the entangled life; definitely, there is way out
To escape; for every problem, there is a solution,
But the majority can't find it, that leads to the
Total failure; don't lose your heart, be calm and
Quiet, brain to be sharpened, search carefully for
The solution with much concentration; after the
Continuous search with the calm and strong mind
One could touch on the outlet of the way to solve,
Definitely one can find it with all calmness he has,
But many don't, their mind becomes a roaring sea;
Calmness with concentration, takes away the traps.

Copyright © Soul Vision, Dr. K. K. Mathew

ENVY

Can't digest the neighbor going high, heart beats rapidly,
Hands tremble, suffocated, he doesn't know what to do,
Like it many in queue, heart might break, might collapse,
He thinks; a serious disease where devil is acting, catching
Hold of the neck, never to release, the worst days ahead.
How to tackle it, the grave condition is to be suppressed;
The soul of everyone is Godly, a tiny part of God, visualize
The God in others; loving man, is loving God, the great truth;
One feels, others are superior to him, the full realization of
The truth puts envy in the waste basket, totally unwanted.

EXPECTANCY

Every day, to have expectancy, heart and mind
Dipped in it, drawn forward to the helm of hope,
The scattered clouds assembled in sky, darkened,
And rains every night for dawn brightened soon,
The rays of sun fall on the heart, interrupted by
The thickened clouds that sail very high, to draw
The life pleasant with the input of dreams for the
Next day; so much of enthusiasm in it, expecting
The infant to be born on that day of brightness,
The new life to come out with the crown of glory
To adorn everyone at home, thinking of that day
With sea waves kissing the shore with the mark
Of anticipating the calmness that pervades the
Sea as well as the land and the surety of it fixed
With the drizzle of blessing everywhere and the
Humans expected living long, diseases thwarted.

EXTREME LOVE ERRS

The extreme love of a great father for his son erred,
Too much of wealth, luxury, amenities, name, fame
All there, too much money son got to use, son didn't
Know what to do with the enormous money; so loving
The father, permitted his son to do whatever he likes,
Never he interfered in son's affairs, the epitome of the
Love, the father thought; like that seen today in many
Affluent families everywhere; at last son was caught
In a big crime from where he can't escape, the father
Burst into tears; what to do, the grave error on his part.

Copyright © Soul Vision, Dr. K. K. Mathew

FAILURE, THE FRIEND

Too many failures ensue too many successes, concrete,
Unimaginable to many, how the person takes failure is
That matters, many get depressed with failure, but few
Take it as challenge, they won't fall in the pit, they won't
lose their nerve, not at all disgusted, but they stick to the
Factors that led to the failure, study it how to rectify
Even after repeated failures; person is to the point and
Vigorously tries to correct the flaws, even after repeated
Falls; the person rises from the fall and starts flying in the
Sky, much above where others fly, he won't land on earth.

Copyright © Soul Vision, Dr. K. K. Mathew

FEAR

Nonsensical attitude of humans with stamping
Of devil on it, apprehension of devil coming very
Near to grab, image of it instilled in heart, difficult
To be separated, with him or her, to be dragged to
Deep pit, never to come out of it, falsely thoughtful,
Man is, to be subdued, not to conquer, mind and
Body weakened by the huge waves that the devil
Sends, man becomes victim to weakness of mind
Transmitting in vicious circuit of unrealistic thoughts
And feelings, that pull man down; the realization of
Non-existent devilish feelings, and the existent God
Coming to protect, change man's attitude to nullify
Fake fear, make man courageous to face any adversity.

FEMALE

Circle of heart rotates round the clock
All the virtues round every moment
That is the female glittering round the
Year, love flowing out, compassion
Sparkles, tenderness dissolved, mercy
Blossoms, and forgiveness crowns her.
The flowers on earth, she only; sends
Her fragrance everywhere; without her,
Earth won't survive, bombardment is
Aimed at earth, as no raindrops to cool
It, nullify it; the coolness depicts her,
But much heat now fires at the coolness.

FIDELITY

How can one develop continued loyalty and support?
Based on faithfulness, God an integral part of it, without
God, not possible; man must realize and experience the
Great truth, God is sweeter than anything in the world,
He is everything to everyone, He is the mightiest, He is
The wealth and He is the greatest; what all written here
Is absolutely true, you must come to the stage of realizing
It and experiencing it; it is the endpoint of normal course
Provided you are on the right path, then you will realize
What all you have, is God-given, you must be absolutely
Loyal to everyone you have, everything you have; it is
Equal to fidelity to God and loving Him unconditionally.

FORBIDDEN DRUGS

Devil draws one into hell by tempting to eat,
The same, snake tempted Adam and Eve to eat
The forbidden fruit; the slow- acting poison is
Tempted to be consumed; one is pushed into
The deep pit with fire, to be burned forever;
Illegal drugs tempt, ruin soul, mind and body,
Irreparable damage; running slowly into the hell;
The addiction is dangerous, it destroys many,
Taking forbidden drugs a big crime, the travel
To disaster, from where very difficult to escape;
Let everyone realize the havoc, save oneself
From flames of big fire; realization is essential.

GRANDPA

Elegant love of sweetness with fragrance
The care is superb, heart full of childishness
He gives everything freely to grandchildren
They get love more than that from parents
They want grandpa always with them, it is
An unbroken chain of fondness from grandpa
Never to get it again in their life, grandpa is
The mediator of love when there is friction
Between child and parents, grandpa rebukes
Pa and mom for grandchild, grandpa's chest
Is child's heaven, paradise in the child's heart;
Some avoid parents to live with grandpa honey.

HEALING

Pandemic, man frightened, casualties very high,
Dreadful diseases a nightmare, so many useful
Lives lost, man is panicky, how to control menace?
The first man, replica of God, immune to diseases,
Disobedience made him man, dirt in him made
Him susceptible, the longevity of first men had
Crossed hundreds, very healthy they were; dirt in
Them multiplied, more susceptible they become,
Longevity of them reduced; everything for cure was
Given by God in nature initially, today man hasn't
Explored even part of nature, the big error, man
Made, medical science is incomplete, it treats only
Body, not the soul, moreover it doesn't know soul.
Logically, the way out is to go back to the first man,
To be with God and in God; it solves all the problems.

HEART SINKS

The floating heart, flows in the torrential rain
Flows down in the deluge, it sinks but the huge
Flow of water drew it to the bank, it lay there
Lifeless for long, the dark clouds in the sky start
Sailing, the sun peeps through the cleft in hill
Sends its arms and kisses the lifeless heart, it is
Rejuvenated, it starts beating feebly and then
Strongly, it takes strong determination, to be
Under the sun always, never to be in rain, runs
Away from it, it knows very well, never it sinks.

HIDDEN POETRY

The message hidden in poetry, dark meaning
Behind, to be known with sharpening of heart to
Concentrate and uncover the pearl in the oyster
That comes as ghost, misty feeling and becomes
Clearer to embrace heart, never to leave but it is
Bubbling up to refresh mind with sweetness of
Wisdom, it paves the way to relax, and soothed.
Hidden poetry in everything we come across, at
The bottom; explore and extract it with aptitude
Of heart singing it, as the poetic mind grabs it to
Frame the sense of artistic painting on the canvas
Of sweetness and glory; it enriches heart and soul.

IGNORANCE OF LOVE

Broken love hurts, kills; a practice nowadays,
Ignorance makes love cruel, love loses vision,
Blind and mad, it becomes, intolerable and
Highly selfish out of sheer ignorance; revenge
Not a part of love, instead, love, the broken love,
As love lasts even if it is physically broken, love
Has soulful root, even if the other person hates;
Love is unseen and it will live unseen forever
Even if hatred, revenge, stay outside; that is not
Love; realize, love doesn't need physical presence,
The real one lives in heart or soul, and multiplies;
Keep away, mind from broken love, but love lives.

IMPOSSIBLE

Impossible is possible, the most exciting words
In human life, exploration of the unknown, the
Mystery, a thrill that adds color to life; the way
To the undetected, an adventurism that gives
New dimension to life, the great feeling, life is
Not a waste, it's fruitful, life has a peak, like that
Of Mount Everest, climbing that has top order
Of fascination to step into beauty of life, it needs
The will and energy much needed, to fulfill the
Desire, to execute, to enjoy reaching, grabbing
The impossible, what a delight, the experience;
It is the outlook of the mind to undertake the
Mission to impossible, is the root of grabbing it.

IN- BETWEEN

I You're in between
One side, worldly
Other side, soul
You're in dilemma
Which one, you need?
Worldly, it's heavy
Heavy goes down
Soul, it's very light
It floats and flies up
Which one, you what?
Go down or fly up
I won't tell anything
It is for you to decide.

INDIVIDUALITY

The amazing beauty of one's quality or character
To be preserved, not to be adulterated; it should
Shine throughout life, even in stiff opposition or
In adversity, it is the triumph of a person, much
Superior to anything else, he possessed; to know,
Never sacrifice individuality at any cost, ruining
It is demoralization, the glow that keeps a person
Moving forward, extinguished, the quality of the
Person is gone forever and he becomes a corpse;
Individuality is the soul, to be loved and adored.

INNER HEART

The thrill of life is to explore the unknown and
Enjoy the mystery of it, not any interest in finding
The known one again and again; the heart in the
Depth is something mysterious and most beautiful,
That is to be relished with the inner eyes; most likely
It is the soul itself, glowing all the time, discharging
The pure love that is needed for the mind and body,
Illuminating the darkened interior of humans; like
The outer heart, it pulsates always, instead of blood,
It pumps Godliness; it is the horizon of tranquility
Where the mind tries to dip, the holiness is spilled
Over it, that may be overshadowed by the darkness
Inside; the inner vision, the light, the inner truth
And the inner perception, all based on inner heart.

KEEPING IN HEART

Thoughts violent, shouldn't boil out of heart
Emotions shouldn't vaporize out, hard feelings
Shouldn't come out, all should be kept in heart,
Difficult initially, but later easy; if God is in heart,
The thoughts, feelings and emotions, get cooled
Inside heart, they are detoxified by the power of
God, like the goods in 'cold storage', they become
Inactive, but soft, soothing and pleasing, could be
Reflected out of heart any time if needed, it will be
Pleasing to others, won't produce any harshness
In the mind of others, no room for any trouble or
Violence, nobody is insulted or hurt or tarnished,
Simple way to keep everyone loving and peaceful.

LAL BAHADUR SHASTRI

The simple, humble, and fine man, elevated to
The highest office, the Prime Minister of India,
Gem glittered for short period of time before
He descended to the depth of golden memory,
The true Gandhian in all respects, upheld the
Morality and principles of professional life and
Continued socialistic economic policies with
Planning, promoted white revolution; policy
Of non- alignment continued, his great heart
Urged people to give up one meal per day to
Compensate the food shortage in the country,
Purity of his soul brightened when he resigned
As Railway Minister, after major train accident,
Set a gold standard for politicians; courageous
Was he to order Indian forces to cross border
To repel enemy forces, he strengthened Indian
Defense forces; he is very great, to be adored.

LAUGHTER OF THE CENTURY

The whole of Kerala state, is laughing all through
Day and night at the heroic works of the antique
Fraudster, fooling those having millions and billions,
Everyone is taken to the amusement park with the
Fireworks of laughter and humor, nowhere in history,
The whole lot in a state, amused superbly, incessantly,
For days and weeks to come, with crackers of humor
And cheerfulness, that take many up from the agony
Of grief and despair; many psychiatric patients relieved
With the medicine of continuous laughter, many forget
Their severe pain in laughter, the broken hearts healed,
People are one to laugh at, forgetting their differences,
The pathetic fall of many, into deep pit of amusement.

LIONIZATION

The factor that needs more attention, sheep's
Heart becomes heart of lion, in the course of
Time; human, silent always with no words out,
Turns out to roaring lion; when a lionized person
Trains, the human becomes roaring, phenomenon
Of great wonder; words of the trainer, fall upon
The heart of the silent human, making it stout, and
Strong, in the course of time, igniting for flame of
Silence, engulfing the silence, the flame explodes.
The roaring lion from the silent sheep, here the
Words do wonders, words are sharper than sword.

LOBSTER

Descending to the bottom of sea, beauty of
Tranquility exists, where the marvel of artistry
Moving freely, like creatures of other planets
Live, beauty of excellence covers them, inside,
The most delicious edible, packed as if they're
To fly to other planets, had not anyone picked;
Quite strange to the present world, heavenly
Art of magnificence, the greatest artist did with
Soulful colors, long body inside shell, legs having
Claws, make it mesmerizingly beautiful, gem in
Shell of tranquility, not to be killed, but to live.

LOVE DISSECTED

Strands of net with firmness at the base
Made of trust, increasing day by day and
Attached to gauze of tranquility extending
From one end to the other with so much of
Kindness in it, with anticipation of hope on
The other side, soaked with the dew from
Above, an inner layer of mercy with much
Sincerity painted on it, the whole material
Becomes flexible and could be stretched to
Any extent, coated with thick honey as the
Innermost layer; the honey is dripping from
It, it acts as adhesive and could be fixed to
Any surface; if base is decayed, love is lost.

LOVE OF GANDHI

The love of Jesus Christ on the cross, bestowed
Upon him after millennium, the agape, loving his
Enemy, the core of Gandhi's heart that beat with
The music of non-violence, something new to the
World, the love softened the hardness on earth,
Fantastic phenomenon of resilience, and extreme
Perseverance, imaging as the most powerful and
Durable weapon to be used against any opposition,
Stumbling block, and adversity; the most difficult
Life becomes easier, fright becomes calmness and
Tension becomes tensionless; what is truth behind?
Through the transparent and holy love, Gandhi saw
God directly, and he could visualize God in everyone;
Let world study love of the Godly man and practice it.

LOVE OF VERY OLD

The couple over ninety, toothless with grey
And furrows, smiling with gums, altogether dry
There, lot to remember but fading quickly, and
Looking at each other, the hobby, hearts beat
Feebly, pulses weak, souls to stop any moment,
But romance active with each other, so many
Inputs of sweetness, breeze across the hearts,
Make them beat little stronger; love between
Them, lively and active, could embrace and kiss
Each other strongly, that is enough for them,
The oasis in the desert that flows incessantly,
The only wetness in dryness, make brightness
On faces and ready to go together any moment.

MAN IS ONE

Man is one and same; when you're at the end
Of inner journey, you see it, you feel it, just the
Same as what is written, God created man in His
Image, the great truth in the present world; man
Realizes the truth only when he is at the end of
Inner journey; endpoint of inner journey is zero
Only; it is, you are nothing and everything in you
Is God only, the final realization when the world
And worldly gone, the manly is gone, only Godly
Retained; then you will laugh at discrimination of
Today; conflicts are outcome of sheer ignorance.

MODESTY OF HEART

One is trying to catch the moon, good friend
Of him, moon descends but he can't touch it
As it's miles and miles away, the more he tries
To catch it, moon shines more; bewildered, he
Stones at it, stone goes nowhere but it comes
Back with the shine of moon; moon descends
And tells him "don't worry, not only, you're my
Friend, but related to me, as God only created
Us", the stone suddenly disappeared, it's now
In his heart, the heart started shining, the moon
Descends with compassion and smiles at him.

NOTHING IS SUPREME

'Nothing' is ridiculed as the poorest, but don't
Know, it is the supreme, the endpoint of the
Inner journey, the great ocean of nothingness;
You lose everything you have, spiritually, the
Search one after another continues in heart
And mind, the inner dissection done with the
Intense faith in God, the world and the worldly
Gone one by one, the inner journey continues
For years, decades; from everything you have,
You come down to the endpoint of the journey,
That is nothing, and it means, you are a big zero,
Everything in you, is God; it is the final realization.

ON PAPER

The whiteness of it brings, 'paper projects', 'paper companies',
Always on the paper, never comes down on the ground for the
Action; deeds on paper, sleeping on it, the comedy of untruth,
The wonder on paper, heaven dwells on paper, the untruth has
Its best taste on paper, mansions built on paper, so much of the
Exaggeration printed, the hell tuned heaven here, so much of
Deceiving here; although words of God on paper, all goodness
Too written on paper, generation read it, millennia old truths
On paper that won't decay or perish, the truths in hearts forever,
Wisdom, knowledge, love, and kindness, live and flourish on the
Paper, they're the most beautiful and fragrant always, never fade
At any time; but today fake papers come, genuineness thwarted,
Fake beauties on paper, attract, try to overshadow genuineness;
Beware, be keen today, to distinguish between genuine and fake.

ON THE WINGS OF POETRY

The most affluent way of life, enjoying every moment,
Flying over everything, over the world, over the universe
Never look back, always flying forward, up and up, never
Look down, so many, mind sees; the vision of heart, the
Vision of soul, exploring and finding out, the newness of
Everything, seeing at different angle, everything looked
Different, with different feel and fragrance, passions and
Emotions fuse together form gentle breeze that caresses
The heart and soul to visualize a new product of creation,
That cools and sweetens, feeling of fulfillment culminates
To over-enjoyment, it fills every component of mind and
Body, refreshed to have new look at the vision, it changes
Every moment, bringing new horizon of inner beauty, that
Is something great to my heart and soul, to pick immense
Wealth of realization and happiness, it will never die in me.

ONAM FESTIVAL

Heart meets with soul, both together over-enjoy
With the belief, the visit of ancient king 'Mahabali',
The king of prosperity who once offered his head
For God 'Vishnu', in bodily form of the dwarf monk
'Vamana', out of his great devotion to 'Vishnu', which
'Vishnu' accepted, He granted the king a boon, the
King could visit again once every year, the lands and
People, he previously ruled; the revisit of the king
Marks the great festival celebrated in south Indian
State Kerala, a reminder of the virtuous rule of the
King and his humility in keeping his promise before
God; the last day of king's stay, is remembered with
Wearing new clothes, keeping the homes and the
Premises beautiful and tidy, having a nine- course
Feast 'Onasadya'; the king must be delighted by
The happiness and prosperity of his people, the
Rare occasion when all in the state enjoy with the
Heavenly joy for few days, once every year; the
Rich and the poorest alike, eat the feast and enjoy.

ONE WORD IS ENOUGH

A toffee is enough to sweeten the sour tongue,
Enough to soothe the disturbed stomach, heart
Is rejuvenated, the rhythmic heart sings melody
The sourness is neutralized by the sweetness and
More to say, the sweetness fills every cell of the
Body and it sings very sweetly, never to forget.
One word is enough, to boost mind, sweeten it,
Lift it from the deep pit, with its sweetness and
Fragrance, to march forward to do the colorful
Fireworks to beautify, illuminate, thick darkness.

OUTLOOK

Look at, heart comes out and sings the music
Of soul, too much of passion in it, not any of
The negativity, no introversion, but emitted out
Boldly, digesting all parameters of life, not to
Withhold anything, but pervades the fragrance
Of inside, heaven is brought in, the flow to outside
Is spontaneous, the cream of life added to it, the
Sudden outflow of energy, makes outlook simpler,
The glow of light in it with fascination of thoughts
And the energetic look at the sphere of life, make
The vision most beautiful and it extracts everything,
Shifted to outside; it's the concrete view of heart.

PARADISE OF LOVE

Love, the paradise, built the palace, the heart
Filled with it, so much of enthusiasm, no, the
Bliss engraved in it, just short of heaven, the
Heart feels; love a wonder, rains honey in soul,
Dripped to heart, love breezes across the depth
Of all feelings that arise to hug, to kiss, in heart
And soul, the feeling of ecstasy showered on the
Mind to bloom with colors and fragrance, and
Cessation of hunger and thirst, bubbles joy and
Contentment, with vision of immense beauty,
Everything built on love that is poured from
Above, the feelings don't die, it is rejuvenated
With the pain, poverty, and sufferings outside,
But the sweetness of inner beauty lifts spirit to
Heaven with fire outside, the paradise of love
Illuminated with the beauty of everything inside.

PEACEFUL WORLD

Passions for the world and worldly, to be shattered
By absolute faith in God, the only way to establish the
Peace at heart, the path towards peace everywhere
And peaceful world; ego and selfishness, the root cause
For the turbulent world, crushed, strengthening of the
Base of peace to be achieved; very sad to say, not much
Done in this regard; nuclear arms race is threatening
World peace, complete disarmament is hollow dream,
The UNO is ineffective to control the greedy nations;
Covid-19 pandemic has taught the world a big lesson,
The total helplessness of big nations to eradicate the
Tiniest virus, must draw them to the conclusion, better
Go for peace settlement than going for conflict; opening
Of new era of relentless diplomacy, is the only solution
For the world peace; the UNO must take initiative for it.

PHYSIOLOGY OF LOVE

Love's mode of living, surprises with its function
The harder it is, the more attractive, the diamond,
Its glittering rays penetrate hearts, which blossom
With its fragrance, so much so, it grasps hardened
Love with its illuminative color, the hardness of love
Gone, the glittering rays inside; the love with deep
Core, never gets lost, it shines till the end, its impact
On hearts, superior, love transcends, goes beyond
Heart, souls approximated, fused, nothing is visible
Outside, unseen, undetected; hearts together and
Fused to be genuine and lasting, it can go beyond
Any hindrance, it will never die, it floats in the hearts
Throughout; the superficial one, is the paint that is
Sprayed on the surface, it is broken in rain and in
Heat, the deep one survives always, it lives forever.

POETRY AND SCIENCE

Vast difference between these two, a big gulf
In between, one is in soul and heart, the other
Is in brain; poetry at center, science at periphery,
Poetry is the whole, while the other is limited,
Scintillating the poetry, science is laborious one,
So fast is the poetry, the other one is so slow
Hard work makes science, poetry is spontaneous,
Heavenly the poetry while science is the worldly,
Science invents only little, poetry does everything,
Truths of everything, the poetry, of the future;
For science, truth is limited only; poetry is divine,
Science is man-made; poetry flows, science creeps,
Science is little before the high pace of poetry;
Poetry is God speaking, in science man speaking,
The Nobel Laureate in science invents a small
Fraction of the great artistry of God, but God
Reveals everything to poet, that truth can't be
Measured by the scales of science as the truth
Is soulful; very sad to say, science doesn't know
What is the soul, while poetry lives in the soul
And heart; poetry you're sweeter, much superior.

POETRY OF POETRY

That awakes the soul, something from above,
It comes and goes, stayed fraction of second,
Illuminating and extinguishing, the waxing and
Waning, dormant for little, gets matured in a
Moment, can't fathom, but it is there to soothe,
Sweetens, unexplained agony to get it revealed,
It plays music in heart, heart swells, it perceives,
It circulates inside as unfamiliar guest, very soon
It becomes divine friend hugging and kissing the
Heart, so much familiar, the two become now,
It spontaneously fills the heart and it overflows.

POETRY TO BE

To cut, to smash, to crush the evils of society
To fight against the injustice, exploitation and
Poverty, the big sword against discrimination
And inequality; the soothing agent capable of
Transforming the hard mind, instills love and
Kindness in every heart; it should be realistic,
More to the present world, usually against the
Violence and slavery; poetry is plain truth that
Touches upon the soul of everyone, as it has
The interior power to exert force and pressure
On the obstacles that appear on the path of
Living, making human life more smooth and
Comfortable; it should be more practical than
Theoretical or purely imaginary, having its own
Impact on human mind and society; it can be
A revelation of the unknown and undetected
Truths of mind, soul and the mysteries of the
Universe, as a result of communion with God.

QUESTIONS AND ANSWERS

The micro part of life is full of questions and answers, Each question has an answer to be found out, then to Proceed further, it is in the cream of life, multitude of Questions, right from the beginning till the end, finding Answer to every problem, makes one move forward to The peak of wisdom, that is the truth; finding it, is the Aim of human life, not completing the outer life, one Must realize it, contemplating the trueness of the inner Life, is the accomplishment of the full contentment; the Inner journey is a search, one after another, the walk On the thorny path with hills and deep pits; by passing Over it successfully, one gets the rare achievement of Having the will to break the hardness of the outer life.

QUILT

Woven love with its magnificence, the thread used
Sings its glory, the mom has for her son, her heart
Is stitching the poetry with love; deep from heart,
The silky fibers come, the wonderful poet, Annie,
Makes it memorable, with colorful beauty of it, the
Picturesque specimen, a monument of everlasting
Love, the mom pours, her wavering hands finishing
The creation with intention, her son must sleep with
The love of mom, blesses him with sweet kisses, her
Heart now sings the fragrance of love between them,
Spreads on the every thread she stitched for the quilt.

‘RAKSHA BANDHAN’

Great symbol of holy love, female to male,
And in return from male to female, hearts
Told with unconditional holiness to be infused
In the outlook of male to female, and female to
Male, having developed the sisterly love and
The brotherly love, with the magnificence of
Holiness, bestowed upon them; it is marked
On the day of ‘aksha Bandhan’, celebrated in
India, sisters of all ages tie a talisman called
The Rakhi, around the wrists of their brothers,
Symbolically protecting them, receiving gift
In return; it is an event of taking firm decision
To love, to respect, sisterhood and brotherhood;
Dignity of the woman and man, lifted to heaven.

RATIONALE

The bubbling thoughts that come up, wash me,
The feelings, very strong, hang on it, lift me up,
Seeing the rainbow that beautify the sky and me
Reaching it, I too become colorful with the beauty
Of it embedded in my heart to say, "I'm always
With it, can' part with it"; every day the image of
Rainbow floats in me, it tells me "do it", I believe it,
I follow what the image tells me, radical thoughts
Take me to the new horizon of perpetuation and
I can take a stand firmly, stride forward to victory.

RELAXATION

Heart and mind eased, the body too, the great
Gift of God, each filament elongated, soothing
Effect on it, the oil of honey painted on it, what
A feel, synchrony of heart, mind, body, together,
To be filled with the subtle music of soul, the
Phenomenon of total relaxation with tranquility
Breezing, that, one gets from, the silence of the
Nature, the thick woods with the murmuring
music of the stream; the nature sends unseen
Impulses of tranquility to bathe the tension, it
Washes the interior of humans, the tension- free,
Relaxed mind and body, merge with the soul of
The nature, lifts the relaxed elements in man to
The height of exuberance with purity of stillness.

REPLICATION

The insight that is linked with the power above
The circuit kept intact, never to be interfered
With worldly, the circuit is on with the input
From above, a personal communication with
The power above; it is the great strength and
The shield, it's the replication of magnitude of
Power above, but many don't know it, the big
Failure on the part of man; had human known
It, practiced it, man is above the peril, the world
Faces; the circuit is nothing but the strong faith
In God, that can never be broken with hurdles,
Adversities, and oppositions; it is the cream of
the successful life; knowing it is wise, realization
Is necessary; the circuit subdues any pandemic.

REVERSE SWING

Swinging at the later stage of human life in pursuit
Of the old barren land, the desert like one, where no
Rain for decades; lightning thunder strikes the land
All of sudden, followed by heavy shower for days and
Colorful flowers, different, bloom, beautify the land,
The best garden of flowering plants, the paradise of
Heart and eyes; the old cricket ball, ineffective in the
Beginning of the match, on flat pitch, suddenly the ball
Develops reverse swing, penetrates through defense
Of best batsmen, surprising them, quite unexpectedly;
Real geniuses may be perverted in the beginning of
Their life, later they go beyond the reach of man, why?
It is the agitation of their mind, covering many obstacles
In the course of their run to solve all the problems in
Their mind, once they achieved it, they are at the peak.

ROSE FLOWERS

Roses, touch not, smell not, and pluck not,
Look at from the distance, see the beauty and
Have the fragrance, beauty from the distance
Is different from what is near it, the fragrance
Different, like seeing the planet miles and miles
Away and seeing it very near, from the distance,
Beauty of God's love seen vividly in the flowers,
Their beauty is God's beauty only, thorns make
Roses more beautiful, as all beauties grow with
Thorn prick, the pain brings the magnificence.
Love and romance spread from the red flowers,
Grace and joy from the pink, passion from the
Orange, purity from the white; one rose means,
Love at first sight, two are deep love and three
Symbolize, loving; roses mean confidentiality
Also; God's love seen in different forms on earth.

SILENT, THE WORSHIP

Silence, the better word to God than the tongue
Uttering; heart talking to God, soul conversing
With Him, in concentration, in silence; God hears
The plea, much superior to the rituals, proximity
To God is achieved, you can communicate with
Him, just with your father, with your best friend,
He loves it, the communion of intense love, you
Can smile at Him, you can weep before Him, you
Open your heart and tell Him the stories, you
Get the big consolation in your heart, you get the
Full energy to do, to act in silence, to help the
Poor, the needy; you see God in them, pleading
For help; you realize, it is the real worship of God.

SMELL

The stream flows gently, smiling at fish smelling
The lotus flower, the beauty on water is caressed,
Kissed by the fish, such is the poetic exuberance
The fish has, it jumped up and relished fragrance
Of the flower, depicting the imagery of, heaven
Falling on earth and it smells heaven, uniformity
Of love jumping and falling with heart beats for
Fragrance and sweetness with ups and downs in
Life, the beauty and fragrance at times, soaring
To soul that fetches immense pleasure and thrill
To mitigate the pain in life; the fish forgets the
Fact, it will be caught one day, by smelling the
Fragrance of the flower, it thinks 'come what may'
In rare moment of getting lost in smell and beauty.

SOUL VISION

Pyramid of love that flows from above, detected
With the hope of achieving it, that is the faith, so
Strong, entertained by vision of soul, that looks
Up and up, not down, something higher- up, above
The human comprehension, above the gravity of
Earth, the vast space, around planets, something
Above that; that is in man, visualized through the
Telescope of soul, fantastic vision of mysteries of
God, mysteries of universe, perfect love of God,
Its sweetness, the beauty of divinity, of Godliness,
Human soul floating much above the earth, it is
The magnificence of the eternity which vision of
Soul, could pick; the blessed wonder of the truths.

SOUL WEEPS

Shattered and crushed the soul is, weeping
Incessantly, nobody hears, who is to console?
The body betrays, it doesn't follow, always it
Persecutes soul, disobedience the core of body,
What all nonsenses the body does, better not
To tell, it is so shameful, it has imprisoned the
Soul, with all its worldly passions and aspirations,
The body is loveless, inhuman, and so cruel to
Soul, the body has taken control of everything
Making soul totally inert and inactive; the God
In man dies, God is weeping, but man is laughing.

SPIRITUAL ENLIGHTENMENT

Exposition of self, universe, and creator, lead to
Attainment of divine wisdom, the deep truth that
Is embedded in the deep mystery and it pervades
The fragrance of the deep truth, it is to sweeten
With the magic of it, the reality of superiority is
Felt in everything, the enlightenment converts the
Mind to the ocean of happiness, it flows endlessly
To the image of eternity, the self is gone forever,
Love of soul pertains to spirit of wholeness and
Everything is instilled in the truth and it blossoms.

STAR ABOVE CLOUDS

Dark clouds assemble, form a fort in the sky
The star twinkling above not seen, the clouds
A barrier, don't sail, the earth in thick darkness,
The star visible if the clouds disappear; the star
Twinkling in every man, concealed by the dark
Clouds, star not visible to humans, the star to
Control, but not possible, the clouds surround
The star, it stops twinkling, clouds strangulate
It, it suffocates, it becomes inactive by clouds;
Human passions for the world, ferocious, the
Clouds imprisoned the glittering soul, only to
Be released by intense faith in God, the clouds
Crushed, star is resuscitated, it starts twinkling.

STUNNING, THE SKY

A crayon made of pigments bound on the sky
With gum, a soft and delicate shade of colors
Seen above the seashore in Bali Island, the light
Colors on the sky when the sun descends in the
Sea, magnificent beauty painted on the sky with
Light colors of blue, yellow, pink and violet, mixed
Together forming an extensive carpet with colors,
Illuminating, and reflected on the top of sea, the
Magic of a big rainbow covering the whole sky,
Kissing the sea, softly and sweetly, forming the
Paradise of heart and the heaven of soul, the mere
Sight of it, lifts hearts to colorful world of dimness.

TEACHER

Next to the parents on earth, molding the heart,
The soul, and the body, imprinting the ideas, the
Morals, deep in the heart, with assimilation of what
Is sensed and what is known, the big knowledge is
Transferred to the transparency of mind, bubbles
With the aptitude for thinking and to perceive, that
Glows in the mind with deposit of pearls, the great
Wealth, richer day by day, the mind of the pupil is
Transformed to the mine of riches that draws the
Pupil to the wonder of self-reliance, to read and
Create new vision to world, the root of everything
For next generation, created, molded, and kindled.

THE GREATEST ATHLETE

Giving heart to one who is poor and in danger
The greatest event of all time, an athlete does
That, much superior to the best timing of the
Fastest man in the universe, Usain Bolt, nothing
Comparable, humanity is seen and is at its best.
Tokyo Olympics Javelin Silver Medallist and the
Great athlete Maria Andrejczyk from Poland
Auctioned off her medal for the heart surgery
Of eight- month-old boy at Stanford university;
Zabka, a polish store chain won the auction with
A bid of \$ 125 K and returned the medal to her.

THE POEM

Singing melody of mind, when it is kept in balance,
Never to move to and fro, never to waver, but to be
Kept steady; the equity established, when facing with
Untowardness of mind, the impartiality of the mind
Preserved with its position at the center; move mind
To center from periphery, making it stable, resting
With stability; the ability to do it, is one's greatness
And the great success in life; emotions, temptations,
Deep feelings, hunger, and thirst, controlled when the
Mind is taken back to center from the periphery, the
Big achievement is possible with everyone; How is it?
With God only, one will have the equity of the mind.

TO BE WITH

Beautiful words, have impact on heart and soul
With sharing of everything with other, diffusion
Takes place with each other, hearts beat jointly,
Souls pulsate together, to be with, with feeling,
The faith becomes sturdy only with the unseen
Almighty, the unchanging power, that stands
Erect, unmoved, one can hold Him tightly; and
He will never leave you, His power transferred
To you, and you have the powerful heart, beating
With His glory, you become part of Him, the most
Coveted achievement, you are with the Almighty,
Always through thick and thin, in His safe hands.

TRAVERSING PERILOUSLY

Boat sails through the canal to the vast sea,
Boat has hit on the rock beneath the water
Its base is cracked, water spills very little into
The vessel through the small hole, unnoticed,
The two in the boat shaken, moved to opposite
Side, sea is turbulent, gigantic waves jump up,
The boat is tilting from one side to the other,
The male and the female in the boat, thrown
Further to the opposite sides, water flows into
The boat rapidly, fills it, boat is split into two,
The crew, one male and female, jumped into
The sea, each swims to the opposite seashore.

UGLINESS

Nothing ugly, if you look at with your heart
Not with outer eyes, with it you see outside
Only, not inside; the heart sees ugliness with
Compassion and love, loving ugliness is mystic
And spiritual, love turns the dirt to goodness,
Poetry makes the worse, beautiful; love and
Kindness soak the ugliness, the dirt removed,
It starts glistening; love instills beauty in it, most
Beautiful, one day, like the artist paints dirty to
Attractive all of a sudden, but heart takes more
Time, love and kindness more and more to act
In the due course, but it could change everything.

UP, HIGHER-UP

Higher-up, mind to go, possible with intense faith,
The kite goes up and up above the earth, the mind
To be like that, could withstand every temptation
And aspiration for the worldly, and raised above that,
Mind going up above the gravity of the earth into
The space inside the humans, a reality that could be
Achieved with the faith, where the soul takes over
From the mind, and it floats in the eternity of the
Space, the greatest gain of the life on earth, worth
More than billions, the feeling of bliss on the earth.

VINTAGE

The vintage, something of quality felt when grapes
Spilled its juice on my intense faith, strengthened
Further by the sweetness of it, lifted me high up
Always, floating in air to be transfused with all the
Tranquility of it, always tasting the red wine spilled
From above, sweetened and energized to discharge
Wine of heart, transmitted to soul, the intoxication
Of the wine, that downs me with the dream of me
Sailing high, never to land, my heart is filled with the
Red wine that overflows, and it is spilling everywhere.

VULNERABLE

Not to be the heart and the mind, not the soul
Don't succumb to anything, but God, that to be
Poured in, make the walls not vulnerable, make
It tight, strong, never exude, the mind develops
A will to push, not pulled, always forward only,
Not backward, power of God does patchwork
On the loose walls, make inside condensed and
Potent, the heart, mind, and soul made strong,
Never bend or break, man to believe in him only,
That is the God in him, not in others, the strong
Will to execute, not diluted, on war footing always.

WAITING

Could be for moments, weeks, years and decades,
What one needs here, is the perseverance and the
The longing to achieve or to possess, irrespective
Of what may be the outcome; waiting patiently is
A sweet experience where you learn to free mind
From tension, to develop boldness, to withstand in
The pursuit of sadness that might come as outcome;
The majesty of sailing to happiness, training during
The period, to bear the tension, the uncertainty, and
The mental pain, is something great, to be elevated
To highness, the long waiting makes the mind greater.

WHAT FOR THE UP

Common to see many in hearts, up, stay there,
Never come down, the usual practice of being
Elevated, never to land, thinking of themselves,
Very great, never look down, amazing to see
Their tallness, fascinated to see, it is they only
Made, not the actual length, the tallness often
Crumbles inside, but made intact, nobody can
Reach them as they are the self-made very tall.
What for the up, can't find the answer, perhaps
They like to be with few whom only they mingle.
Humility is the sign of one's greatness, that is
Not tall, it is to touch the floor, it never crumbles.

WHAT IS IT?

Human body parts found in landing gear of aircraft,
People desperate to escape, climbed onto wings of
Plane, fell from the sky, after it took off; what is it?
Violence erupted, innocents flee, they are shot dead,
Some of the detainees killed, human rights violation
Seen, atrocities against women common; how to stop it?
Communities across the globe must call for an end to
Atrocities against women, UN must act vigorously, put
An end to all inhuman acts, humanity must prevail, for
That, what everyone needs, God entering every heart.

WHAT IS THE WRONG

Wrongs heaped, multiply and spread everywhere
Conflicts erupt, misunderstandings rooted, nothing
Could be done to control, the world goes on slowly.
A search to the core of the wrong, reveals something
Fantastic; the root of every wrong is 'right' only, it is
The truth, at the end of the search; the truth is pulled
Down as generations pass and the wrongs deposited
On it, the circumstances make it worse, the wrongs
Hanging on the truth, making it wrong; it is the story
Of the wrongs; knowing it, our outlook on the wrong
To be changed drastically; the treatment is, to forgive.

WHAT SHOULD A CHRISTIAN BE

Worry, grief and despair, not belong to him
Be always in spirit, joyous, mood elevated,
Look up, not down, heart to glorify Jesus,
Not bothered with the pain and sufferings
Outside, concentrated on what is inside,
The world of divinity where Jesus at centre,
It is the truth of truth where he feels, tastes,
Relishes, Jesus with his open internal senses;
What a joy it is, the real bliss in the disastrous
World, the great truth from experiences only.
What is the outcome of Jesus living in heart?
Love everyone in the world more than he loves
Himself, no difference between anyone in the
World; what is Jesus to be for the Christian?
Jesus is everything to him, the biggest power,
The greatest wealth, the greatest figure, the
Best companion, more than anyone else,
Whom he converses with, every moment of
His life, how lucky he is to be with the most
Loving friend; it is possible with every Christian.

WHAT SHOULD A POET BE

A great human being, loving others, the society and The world as a whole, impartial he is, not biased by Color, caste, creed and sex; poet is an explorer of the Complexity, doing the continuous search for truths Which are hidden, attempting to uncover the mysteries, Relentlessly write against injustice, discrimination, Inequality with the hope of doing something for the Betterment and harmonious society; living in the Realms of imaginative world, poet only rarely comes Out of it, watching the world and combines it with the Imaginative instinct, that falls upon the dark side of The society, decorative language involuntarily added To it, making truths in perfection, with forceful output.

WHY VIOLENCE?

Violent, the world; unrest everywhere, peace
Mainly on tongue, not in heart, dirt in heart
Takes control, righteousness suppressed, why?
Heart is fused with dirt, it can't be separated,
Heart develops affinity for dirt, not for morals,
Excessive passions and aspirations for worldly,
The culprit, ignorance of man equally responsible,
Grossly mistaken teaching brainwash youths,
Some get pleasure in torturing others, even in
Killing, love is fast disappearing; how to correct?
Love to be generated, the only way, God in heart.

WORDLESSLY

Everything condensed in heart, nothing comes out,
Heart speaks, soul perceives, retained, new circuit
Of vision, happens to man with inquisitiveness, to
Search inside, to explore, the truths, the mysteries,
That has the high output of high energy to recognize
And store, circuit going at high speed, than going out
As words, realizing in a fraction of second, going to
The next one, likewise the quantity of perceiving
And storing, very high, incomparable, enhancement
Of concentration attained, truths jump up, catching
Them, a bliss, heart and soul in line with God and
The communication to and fro achieved, nothing
Comes out, everything in intense silence, energetic
Heart meets the highly receptive soul, no loss of
Energy as no words uttered, the silence is speaking.

YET TO SEE THIS LOVE

Love descends from heaven into my heart, caresses
It to beat musically, the love music I heard with the
Honey raining in me; my dear Blackie is no more now,
The love was honey only, I knew it from the Labrador
Dog, no, he was my son, always playing with my heart,
Hugging me, kissing me, what more, dining with me,
Sleeping at my feet; the world looked heaven as his
Love loaded my soul, I was charmed with his obedience,
Innocence, and adoration for me; how I could part with
Him, I had my thoughts always troubling me, but the
Fate took very bad turn, Blackie fell at my feet forever.

YOU

What you need in the world, is you only,
God in you, you don't need anybody else,
Best companion ever through thick and thin
You explore inside of you, you find out Him
Anybody can get Him, He is easily accessible
But you don't want Him, you don't attempt;
The life with Him is most beautiful, fragrant,
You won't get it anywhere else, great truth,
You see the world through Him only, then
The world looked different, everywhere He
Is, you love every one; that is, you love God,
Depend on you only, that is, the God in you.

SOUL VISION

DR. K. K. MATHEW

As the narrator of his instructive verses, the Poet Dr. K. K. Mathew writes very mature, calm, fluent and enduring to the very end. He is very original and direct, he seeks and draws real images and associations in the abysses of the irrational and the unconscious, as well as in the essential in the current life frame of ethics and God. Without a care of conscience and with a very good feeling, I recommend reading the book - SOUL VISION by the great Poet - Dr. K. K. Mathew.
